

Library Board member selected

At their regular meeting held May 12, Drayton Valley Town Council discussed the appointment of a board member to the Yellowhead Regional Library Board.

By way of a background, the Town is a member of the Yellowhead Regional Library System and is therefore entitled to appoint a member on behalf of the Town of Drayton Valley to the library system board under a section of the Alberta Libraries Act.

A library system board shall consist of one member for each municipality, Metis settlement and school authority that is a member of the library system who is appointed by the council of the municipality, Metis settlement or school authority.

Traditionally, a member of Council is being appointed to the YRL Board at the annual organizational Meeting of Council. The Council member currently appointed is Councillor Bill Ballas. However, the Drayton Valley Municipal Library Board (DVMLB) expressed interest to appoint the current DVMLB member, Ms. Pat Adamson, to the Yellowhead Regional Library System for the Town of Drayton Valley.

Councillor Amila Gammana also expressed interest in the position; however, after some discussion, Council passed a motion approving Adamson for the position.
