Public Service Announcement...

Your Library & Covid-19

On March 15, 2020, the Minister of Municipal Affairs and Minister of Health announced a province-wide closure of all public libraries until further notice.

All courier and delivery services used for Inter-Library Loans were shut down by March 18 along with a recommendation that libraries cease any curbside or holds pick-up services.

Closure of our Library facilities is in the best interest of the health, wellness and safety of our users and community.

All loan periods have been extended to May 15. Items can still be returned in the outdoor book drop.

This is a great time to explore your Library's eResources.

Your Library card gives you access to a world of information through our website: www.draytonvalleylibrary.ca.

A library registration and renewal webform is available on our website or, contact us by phone at 780-514-2722.

Library staff remain available to answer questions about the eResources and help with account requests.

We encourage you to engage with others through our virtual programs.

Pulling together...

Keep Reading with eCollections

Social distancing and isolation can be stressful. We can help! We can't lend physical items from our Library at this time, but we encourage you to unwind with our many virtual collections.

OverDrive Audio & eBooks...

OverDrive provides access to audio and eBook downloads onto your computer or mobile device.

Since the start of the COVID-19 lockdown we have spent \$4000 on expanding Over-Drive collections.

Over-Drive can be accessed <https://trac.overdrive.com/>

Hoopla & AudioBookCloud...

Hoopla has increased the limit up to ten titles per month. Access movies, music, television shows, audiobooks, eBooks and comic books.

AudioBookCloud

AudioBookCloud is a streaming service (no downloads necessary) for listening to audiobooks. There are over 1,000 titles for adults, children and teens, including fiction, nonfiction and classics.

eMagazines & eNewspapers...

Pressreader provides instant online access to current issue magazines and newspapers from around the world.

For Younger Readers...

Keep the kids entertained with animated, talking picture books for children from favorite authors with TumbleBooks.

TumbleMath has a large collection of fun math stories to engage students of all ages and keep their skills sharp.

Quote of the Month...

"Expect the best. Prepare for the worst. Capitalize on what comes." – Zig Ziglar
